Pricing & Finance

The first question most people usually ask is “what does it cost?”. We won’t make it difficult to work out as there are no lists of modules to add up or phone numbers to call.

All our courses have manuals and workbooks included and are taught live by experienced course coaches with no unsupervised self study or video sessions.

Students For Life

All our graduates become “Student for Life” so that they are allowed to re-sit and study any or all modules of their course again, at any time in the future, FOR FREE. This ensures our graduates knowledge and expertise will always be up to date and their treatments will be at the highest professional level.

This also includes the CPR and First Aid certificate updates for our Remedial Master Therapists and, because they need to be continually renewed, could save you \$1000’s during your career.

What are the top 9 benefits of gaining a full Diploma of Remedial Massage? [HLT 40307 & HLT 50307]

1. Private Health Care Provider Number

Clients can claim a substantial fee rebate from their Health care Insurance effectively making your treatment cheaper

2. Employment

Over 75% of all massage jobs now already require a Diploma of Remedial Massage and that number is continually increasing as more and more employers are demanding a Diploma of Remedial Massage as a minimum qualification

3. Increased Hourly Rate

Clinics & employers can charge more & therefore pay more for Remedial treatments

4. Increase Client Base Potential

More & more clients are becoming aware of the benefits of Remedial massage as well as the financial benefits of claiming that on their Private Health Care Insurance

5. Job Satisfaction

Helping people rehabilitate is giving therapists a greater professional satisfaction then just providing relaxation massages.

6. Longevity of Career (both physical and mental)

Remedial treatments are often less physically taxing on the therapist then the typical deep tissue or relaxation massages

7. Client Results

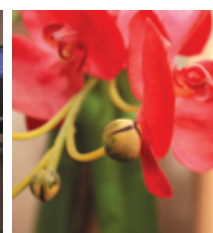

Clients are often amazed at the results of remedial treatments and the mobility benefits they provide

8. University Study Pathways

A Diploma of Remedial Massage can provide up to 1 years worth of University credits at specific Universities with articulation agreements

9. Allied Professional Status

Remedial Massage Therapists frequently work together with other Allied Health professionals in multi modality clinics as they all have private Health Care Provider numbers
